

MANUAL STAPLER

RAPTOR® CT-6000P Compression Stapler

The CT-6000P Compression Stapler drives RAPTOR® 19 gauge composite staples. The easy squeeze handle allows for extended use without fatigue.

This professional tool has been ergonomically designed for comfort and ease of use.

Hardened steel working parts, a retractable driver blade and a simple reloading system make this tool a great addition for any operator who needs a portable stapler.
